

## List of items FoRRP Requested to be Included in the 2013 Work Taken from "A Proposal for 2013 Park Engagement"

FoRRP has put together a list of 5 general areas of upgrades that we would like to see included in the 2013 package of work. In brief they are:

1. Paths and Access
  - a. pave the current 'x' paths through Fred Hamilton Park (FHP); price for two paving options (one using flyash concrete and incorporating the 'fish' inserts of the Garrison Creek Heritage markers)
  - b. create a new path from Bellwoods House to Roxton Road through Roxton Road Parkette
  - c. upgrade south end access Roxton Road to FHP with a stroller and wheelchair accessible ramp
  - d. create a new step access from the laneway at the south end of FHP
2. Create a central seating feature where the paths cross in middle of FHP.
3. Upgrade the washroom building and convert half of it to a community kitchen.
4. Add Water Sources (sustainably sources if possible):
  - a. Add a water fountain where the paths cross in FHP (for a possible future water feature)
  - b. Add water source for the wildflower garden in FHP
  - c. Add water source for gardens in George Ben Park
  - d. Add water source for gardens in Roxton Road Park
  - e. Upgrade existing 2 water fountains (as per Irene Avenue Parkette)
5. Minor Amenities:
  - a. add bike lock stands in FHP (near bocci courts, near washrooms, near Shaw Street pathway access points, and near the south end park entrance)
  - b. add more garbage/recycling bins
    - i. there are currently only 2 pairs available in upper level of FHP, and they are both in the centre of park; we need something alongside road
    - ii. Roxton Parkette needs recycling bin to accompany trash bin
  - c. add trees (Jill and Susan to meet with Forestry folks to discuss appropriate species)
  - d. additional temporary benches with backs and arms (we would like to unify the seating in the park ultimately)
    - i. upper level we need 2 or 3 by water fountain on brick platform Shaw Street side (one can be moved from tree closest to grey Canada Post box); plus one under large maple on Shaw
    - ii. lower level we need 1 or 2 by pool and at least one by community garden, facing swings.
    - iii. Roxton Parkette needs some seating - either benches with back and arms, or picnic tables
